## Betty Mahala Graham, Margaret Mahala, & Margie Steelman Stanfield

While I knew the names from researching the family and from talking with relatives, I could never put a face to some of the more distant cousins, that is more distant than first-cousins and first-cousins-once-removed with an occasional second-cousin. These three are, by far, the most common relatives I know of but do not know.

Betty and Margaret are mother and daughter and Margaret is the daughter of Joseph Pisarcik and Mary Kutarnia who was Nana's younger sister.

Margie is the daughter of Betty (Elizabeth) Pisarcik, Margaret's sister, and George Steelman. A very simplified chart:
